

DAY CAMP SPONSORSHIP FORM

Sunrise EquiTherapy has groups of individuals in your area who are looking for a sponsor to enable them to participate in our therapeutic/recreational horseback riding Day Camp Program.

Sunrise EquiTherapy provides a Day Camp program to individuals with physical, cognitive and emotional disabilities. The camp features various centers about the horse, equipment (Western and English disciplines) and how to care for a horse. Individuals may experience riding one of our therapy horses or mount up on our stationary horse, "Ole Blue." A trip to the hay field, checking the bluebird houses and learning about the sights and sounds of the country are part of the activities. Lunch, informational materials about their experience and photos culminate the Day Camp.

Participants enjoy a day in the country where their mind and body can be redirected into a safe, fun and rewarding activity. They benefit from the unconditional love given to them by their new friends, the Sunrise therapy horses. And for a few minutes they forget about their disability and problems. They smile a lot more!

Volunteers and certified riding instructors plan and implement the Day Camp program. Camps are held on Saturday in the spring and fall. Approximately ten individuals may participate in the activities.

Sunrise EquiTherapy would appreciate your support so we can continue to offer our Day Camp program. We are a non-profit and qualified by the IRS under Section 501 (c)(3) and your gift is tax deductible.

Thank you for helping **"turn small steps into confident strides!"**

Sunrise EquiTherapy
Board of Directors

Yes, I will sponsor a Day Camp for \$500

Sponsor's name: _____
Address: _____ Phone _____

City, State, Zip: _____
