

*A therapeutic
horseback
riding program that
helps
"Turn Small Steps
Into Confident
Strides"*

Sunrise EquiTherapy has an individual in your area that is looking for a sponsor to enable them to participate in our therapeutic and recreational riding program.

Sunrise EquiTherapy is non-profit & qualified by the IRS under Section 501(c)(3) and your Donation is tax deductible. The program provides equine assisted Therapy lessons to individuals with cognitive, physical, and emotional disabilities. The benefits gained through riding are: increased balance, coordination, muscle strength, muscle tone, attention span, independence, self-acceptance, self-approval, responsibility, social skills, and riding skills.

Lessons are given weekly by a registered instructor at a cost of \$240.00 per 6-week session. By providing a ridership (scholarship), you help enable these individuals to benefit from the program.

Sunrise EquiTherapy would appreciate your support to establish a ridership (scholarship) for an individual. If you would like to sponsor a rider please fill in the form and we will be certain your gift goes directly to the individual's lesson.

Thank you for helping "turn small steps into confident strides."

Sunrise EquiTherapy
Board of Directors

Yes, I will sponsor a rider for \$240.00 for a six-week session.

Rider's name: _____

Sponsor's name: _____

Address: _____
