

THERAPY HORSE SPONSORSHIP

Sunrise EquiTherapy has special therapy horses and ponies that need your support through a sponsorship. The program depends on our equine friends to deliver therapy through their movement, warmth, patience and unconditional love. Many of our horses are older and require a little more care. Our therapy horses do not only walk around the arena while being led, but they must also be able to walk, trot and lope for our independent riders. Versatility is required!

In order to keep our equine friends in top condition they get only the best care offered. Your sponsorship will help defray our expenses relating to: special feed Equine Senior, hay, supplements, wormers, farrier (several of our horses require special shoeing), veterinarian (West Nile Virus shots as well as the spring shots and for those emergency calls), grooming supplies, fly spray, and fly masks. The list is endless! But without our gentle giants, ponies and minis our program would not exist.

Sunrise EquiTherapy is asking you to become involved in the care of anyone of our special therapy horses and you do not have to clean stalls. Through your sponsorship you can help Sunrise keep them healthy and strong for our riders with disabilities. We are a non-profit & qualified by the IRA under Section 501(c) (3) and your donation is tax deductible.

I would like to sponsor a **Sunrise EquiTherapy** horse: Shaamus, Chey D, Lucky Boy (Miniature Horse), Blues or Turner

- Walk \$50.00
 Trot \$100.00
 Canter/Lope \$175.00
 Gallop \$250.00
